ARTIFICIAL TURF

EVERGREEN

Built for Everything. Ready for Anywhere.

Premium Grass Blades Evergreen is the ultimate go-to turf for versatile landscaping projects. With a lush, organic look and pet-friendly features, it's a favourite among homeowners, contractors, and developers who want beauty, durability, and year-round performance.

Natural Look. Broad Appeal.

With a 1.58-inch blade height and a rich blend of Dark & Yellow Green, Evergreen creates a full, real-grass aesthetic suited for any outdoor space—from family yards to multi-unit developments.

Contractor-Favorite. Pet-Approved.

Evergreen's moderate density and clean blade separation provide lush coverage with excellent drainage and durability, making it ideal for pets, high-use areas, and easy cleanups.

Tough Enough for the Seasons.

Backed with a dual-layer solid foundation, Evergreen is engineered to hold its form through Canadian winters and shifting weather. It's low maintenance, high value, and built for the long haul.

Evergreen is ideal for moderate to heavy traffic areas, general use landscaping, playgrounds, daycares, sidewalk boulevards, living walls, and rooftop gardens.

EVERGREEN

-30%

EVERGREEN SMALL REMNANT (BATCH 0001) ROLL SIZE 15X3.5 \$158 (REG \$225.23)

Evergreen is Premium Grass Blades' most popular turf. With its moderate height, olive and forest green tones, strong, perfectly separated blades, and at the perfect price point, it's no wonder. Known in the artificial turf world as the "Jack of all trades," Evergreen has quickly become a favourite amongst landscapers, developers, and homeowners. Gaining the majority of its popularity from its pet-friendly durability. Evergreen has been designed with four times the number of drainage holes, making it the number one choice for pet owners. Unlike most pet turfs, Evergreen's medium density allows it to give you an easy-to-care-for area for your pet and a stylish organic look and feel of grass. Evergreen can handle heavy to moderate traffic and withstand Canadian winters with a dual solid backing. Ideal applications include moderate to heavy traffic areas, general-use landscaping, playgrounds, daycares, sidewalk boulevards, living walls & rooftop gardens.

Blade Height:	40 mm / 1.57 Inch
Blade Color:	Olive/ Forest Green
Density Stitch Rate:	15 stitch per 3 7/8 "
Face Weight:	60 oz / sq yd
Total Weight:	86 oz / sq yd
Roll Widths:	7.5ft & 15ft Wide
